PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## RECENT OPERATIONS

By Paul Rardin

Work on Conner's highway between Canal Point and Twenty Mile Bend is progressing satisfactorily. There are 14 miles in the stretch of hurricane-flood-damaged highway to be reworked. The 55,000 yards of muck dike have been removed and workmen are busy reworking the road. The entire 14-mile stretch is being scarified and reshaped, rolled and will be oiled with a sand finish. At the rate the work is going along it will be finished much quicker than at first thought by the contractor. Weather has been favorable for the road rebuilding work.

I had the pleasure of speaking before the Canal Point PTA Monday night. An unusually large crowd of school patrons attended the meeting. The business session was conducted in an alert business-like manner by the president, Mrs. D. L. Friend. Working committees were Johnny-on-the-spot with reports. The organization is doing a splendid work in Canal Point school.

During the past few days fishing has been good at the lock in Canal Point and at the St. Lucie Canal. Minnows have been at a premium since the perch and bream have been unusually interested in them. Personally, I haven't had time to do any fishing. If I had the time I wouldn't bother with minnows as long as the rubber band supply lasted.

Harlow Sims of Canal Point this week announces his candidacy for constable in the Pahokee-Canal Point district. Mr. Sims will oppose the present constable, Francis Cross. Both men have qualified with the circuit clerk and county executive committee for the race.

## Winners Named In Poultry Contest

During National 4-H Club week, March 1 thru 8th, the Home Demonstration office announces the winners in the Third Sears Roebuck Poultry Contest, announcement being made by Mrs. Mildred J. Michaud, Assistant Home Demonstration Agent.

Last April, ten county 4-H club girls entered the Third Annual Poultry Contest under the direction of the Sears Roebuck Foundation who were the donors of the chicks and prizes, the Agricultural Extension Service and the local Home Demonstration office. Each girl received 100 baby New Hampshire chicks which she raised and learned the latest poultry practices as the contest progressed.

Girls who entered were: Aiko Takumiki, Delray; Patsy Woolbright, Boynton; Carolyn Hubbard, Lantana; Barbara Ann Barnes, Lake Worth; Gracie Shirley, Lake Worth; Daine Te Starke, Belle Glade; Louise Lott, Belle Glade; Jean Platt, Pahokee; Dorothy Strickland, South Bay; Carolyn Scruggs, Canal Point.

## Anthony's Fashion Show To Benefit Pahokee High Band

A benefit fashion show will be presented by Anthony's of West Palm Beach in the high school auditorium on Thursday Mar. 11 at 8 p. m., with all proceeds going to the fund being raised by PTA and other civic organizations to complete payment of the new uniforms for the Pahokee High School Band.

Anthony's will furnish music for the affair and will have six or eight of their own models for the complete showing of latest styles in sports clothes, afternoon and evening wear. Joan Chastain, Annette McIntosh and Ann O'Connell, the latter being a graduate of the Gibson School of Modeling, Miami.

Admission price will be one dollar.

## Student House Plan To Be Financed By State Methodists

Congregations of the Canal Point Methodist Church in both services Sunday will be asked to share in our church's one special project for the year, the raising of funds in all Methodist Churches of the building of a Student House to serve as a church home away from home for students of Florida State University. Because of the unsettled conditions of the community we, have held this project over until the present and we shall give it only one day of emphasis. It is hoped that as many of our families as possible will take part in this important task. The sermon in the morning will be on "A Soldier's Shoes" taking as a text the words of the Apostle in Ephesians 6:15. The service in the evening at 7:30 will be a service of Holy Communion in which all who attend and who desire to partake of communion in a spirit of reverence and sincere consecration are invited to the altar.

A class in church membership is being conducted this year, as last, by the minister. Meetings are from 11 to 12 noon on Saturday, March 6, 13, 20. All boys and girls who desire to learn of the church and its work are invited to attend these three meetings.

Forty-four members of the Junior Fellowship planned last Friday for a picnic-party to be held on Saturday, March 6 at 12:30. All boys and girls are to bring their own lunches including something which can be roasted over the fire. A game period will follow the lunch. Members will meet at the Sunday School Building of the Methodist Church. The party will be over by 2:30.

The Young Married Fellowship meets on Friday, March 12 for a Fish Fry with hosts and hostesses: the Osie Upgrovges and the Randy Clarks.

## COLIN ENGLISH RALLY TONIGHT IN W. P. BEACH.

A Colin English for Governor Rally will be held at the court house in West Palm Beach this Friday night, Mar. 6 at 8:30 p. m. A large delegation of Colin English supporters from the Everglades area is planning to attend.

## Lake Okeechobee Nears 17 Ft. Level

(From The Clewiston News)  
For the past several weeks the News has been a little reluctant to mention the weather in its columns for fear Ma Nature, in a whimsical mood, might decide there'd been enough perfect weather and start throwing rain and cold in our direction, but when it was noted this week that the level of Lake Okeechobee, which went to a record height last fall, has slipped back under the eighteen-foot bracket and was coasting rapidly toward the seventeen-foot maximum figure it was thought safe to mention it.

On Wednesday of last week the mean lake level stood at 17.85 according to U. S. Engineer measurements translated into Okeechobee datum with which most of our readers are more familiar than with the Sea Level datum currently used by the Engineers. Since the fall has been averaging about two-tenths of a foot per week the lake level should be, as we go to press, approximately 17.6 and it appears probable that the maximum current level will be reached slightly sooner than estimates made last fall when it was feared that, even with the best of luck, it would take until April to get back to seventeen feet. If we keep our fingers crossed and the rains stay away as well as in the past few weeks the seventeen foot mark may be reached by March 15.

There has been virtually no rainfall during February and almost perfect temperatures have been our lot. A temperature was recorded on the high fifties was recorded on the day the month arrived but the maximums have stayed in the high seventies and even in the high eighties the remainder of the month. The sugar corporation has registered a total rainfall of .07 inches in the Western Division and only .01 in the Eastern Division, the only month since last April which has showed a deficiency from average.

## Graduation Dates Are Made Public

The county school board Tuesday approved a schedule of graduation in all the county's schools, starting on June 8 and extending through June 15. The schedule, as submitted by Supt. John I. Leonard and approved by the board, follows:

Tuesday, June 8 — Palm Beach Junior High.

Wednesday, June 9 — Delray Beach High, 8 p. m.; Carver High, 8:30 p. m.

Thursday, June 10 — Pahokee High, 8 p. m.

Friday, June 11 — Belle Glade High, 8 p. m.; Everglades Vocational School, 8:30 p. m.

Monday, June 14 — Lake Worth High, 8:30 p. m.; Boynton Beach, 7:35 p. m.

Tuesday, June 15 — Jupiter, 7:45 p. m.; Palm Beach High, 8:30 p. m.

## CHOIR REHEARSAL

The First Baptist choir will meet tomorrow night (Saturday) for its first rehearsal of the Easter cantata, "The Living Redeemer." The church at 7:30.

## Silver Tea Sunday Afternoon Benefit Girl Scouts

The Pahokee Girl Scouts at the regular troop meeting Tuesday afternoon completed final plans for the silver tea which they are sponsoring in the Pahokee Woman's Club building on Sunday, Mar. 7, from 2 to 5 p. m.

The public is cordially invited to attend this benefit silver tea and special invitations have been issued to parents of the scouts as well as blanket invitations to civic club members. Mrs. Parnell Enecks will play piano selections and several of the scouts will also play.

In charge of arrangements will be the refreshments committee, Mrs. Vinson Henderson, chairman, assisted by Mrs. R. R. Long, Mrs. O. D. Carpenter and the Seneca Patrol; the decorations committee, Mrs. H. T. Williams, chairman, assisted by Mrs. P. M. Cate, Jr., Mrs. Enecks and the Seminole Patrol; the entertainment committee, Mrs. W. H. May, chairman, assisted by the Cherokee patrol.

## Foundation Work Laid For New Cub Pack In Canal Point

Foundation work for the formation of a Cub Pack in Canal Point was laid at a meeting on Tuesday night at the Canal Point School. Pat Patterson, Scout Executive of West Palm Beach presented a picture of the opportunities and responsibilities of Cubbing. An excellent film on Cubbing was also shown.

Parents present included Mrs. C. L. Stuart, Mrs. Hattie Dixon, Mrs. Joe Edenfield, Mrs. Hitchcock, Mrs. Nobles, Mrs. Latham, and Mrs. Strayer. Mr. and Mrs. Mike Hopperich of Pahokee, Cubmaster and Assistant Den Mother respectively of the Pahokee Pack, gave a brief account of their experiences in Cubbing. Mrs. Leol Lenece, assisted in the meeting, W. T. Blair who has volunteered to serve as Cubmaster for the Canal Point Pack assisted Mr. Patterson. In addition, twelve prospective Cybs were present.

The need for the full cooperation of both mothers and dads in the Cubbing program was stressed. It was pointed out that at least three dads would be needed to form the Pack Committee. The second organizational meeting will be held at the school on Tuesday, March 16, at 7:30. At this time, the actual organization of the pack will take place following the preliminary information meeting held last Tuesday. All work, however, is dependent upon the participation of mothers and dads of boys, 9, 10, and 11 years of age who are genuinely interested in the wholesome development of their boys in this fast-fleeting age of character development. All such parents, whether or not they were at the first meeting, are urged to attend this second session.

## CHILDREN ENJOY SHOW

Children of the Canal Point school enjoyed a very entertaining marionette show, "Jack and the Bean Stalk," in the school auditorium last week. The show was presented by the Pace Marionette Company.

## Funeral Services Held For W. H. Key

Funeral services for William H. Key, 61, resident of Pahokee for 16 years, were held at the First Baptist Church on Wednesday at 2 p. m. with Rev. C. A. Moberg, officiating.

Mr. Key died at the local hospital Monday evening following a brief illness. He came to the Glades area from Georgia, was a veteran of World War I and a member of Fred and Percy Mansfield Post 90.

Survivors include his wife, Kathryn; a brother, James H. Key, both of Pahokee; and two sisters, Mrs. Pota Jolly of Tampa and Mrs. Cathalou Roy of Euflaula, Ala.

Pallbearers, both active and honorary, were members of American Legion Post 90. Interment was at Woodlawn Cemetery in West Palm Beach with Post 90 in charge of the military services at the graveside. Berry's Funeral Home was in charge of arrangements.

## Sutor Believe Plans For Bond Election Should Continue

"Since the need is so great, and the state will pay close to three-fourths of the cost, I firmly believe the County School Board should proceed with plans for a county school bond election," Jack Sutor, candidate for county school superintendent, declared Wednesday night.

Sutor made his statement at a mass meeting of the question of the bond issue at the Palm Beach High School auditorium.

He pointed out that the state will furnish approximately \$3,700,680 and the county \$1,233,560 on a 20-year bond issue for the badly needed building program. That makes a total of \$4,934,240 spread over the 20-year period, he said.

However, the candidate for county superintendent of schools raised a warning finger on three points.

Sutor declared that the building program should be coordinated with the desires of the majority of patrons of each school community.

He asked for a guarantee that teachers salaries will not be placed in jeopardy by the bond issue.

And he requested that accurate and detailed information on each piece of construction be constantly available to the press and public.

## Rotarians Entertained By Rotary Ann's

Members of the Pahokee Rotary Club were entertained by the Rotary Ann's at a buffet supper at the home of Mr. and Mrs. Frank M. Shaughnessy Tuesday evening. Mrs. D. D. Caudill sang vocal selections, accompanied by Mr. Caudill on the guitar.

Approximately 80 persons were present. Mrs. E. L. Pope, Mrs. O. R. Bleech and Mrs. Shaughnessy were in charge of supper arrangements and Mrs. E. F. Cushman and Mrs. O. R. Bacon, table arrangements.

Vol. 1, No. 9, the February issue of The Florida Wildlife, published by the Florida Game and Fresh Water Commission, is the most interesting and at the same time informative, of any of the similar publications to reach our desk. The Florida Wildlife is improving with each issue. There are three feature articles in the February issue, the leading story being devoted to the Pollution — Florida's Fifth Column, with a number of illustrations. The magazine is devoted to the conservation, restoration, protection of our game and fish and it is well edited.

## King Could Dish It Out

The late King George V of England had a spritely sense of humor. Harry Lauder was giving a performance at the Palace Theatre in London. The comedian, after finishing a chat with his majesty who had summoned him to the royal box between acts, encountered an old friend, George Ashton, in the corridor. After exchanging a few amenities, Lauder proceeded down the hall, pausing only to look back and shout, "Well, good-night, George—and good luck to you!"

The next instant King George emerged from his box into the corridor end, with a grin on his face, called out, "And good-night and good luck to you, Harry!"

Lauder was overcome with confusion at the awful thought that he might be suspected of taking liberties with the king-emperor and stood riveted to the spot, but King George went off laughing heartily at his own joke.—Your Life.

## TOO LATE TO CLASSIFY

(By Russell Kay)

Can you imagine a community with a population of 1,678 without a church or chapel of any kind?—Florida has one. It isn't a pleasant or desirable community in which to live.—It is our State Prison at Raiford.

When this fact was called to my attention not long ago I could not believe it. While I had never given the matter any thought, I was confident that a Chapel existed at Raiford. In the thirty years of the institution's existence there has never been a chapel as such.

The religious program of the prison and the work of personal counselling and activities have been maintained by the resident chaplain as well as possible without the facilities provided ministers outside the institution's walls.

Now, after 30 years, the state is getting ready to provide a chapel and the Board of Commissioners of State Institutions has recently announced an appropriation of \$50,000 for a building.

No provision, however, is being made to provide furnishing or worship equipment. All the state proposes to do is provide the bare unfurnished building. If it is to be furnished, funds for this purpose, which architect estimates place at \$13,500, will have to come from private subscription.

That the prison is to have even an unfurnished House of Worship is largely due to the untiring effort of the prison Chaplain who has diligently worked toward this end for years. Now he has been promised the building, but he is still confronted with the problem of equipping it for the useful purpose it was intended. He particularly wants a piano organ, and this is included in the estimate quoted in the foregoing paragraph.

A large number of prisoners are as eager for the establishment of the Chapel as is their Chaplain. One New Year's Eve, a group of them composing an organization known as the "Forum of Faith," a religious social brotherhood among the men, presented Chaplain Shepherd with a check for \$188 marked for "Equipment of

our Chapel." This sum came from small contributions made by the prisoners themselves or from their families.

Surely, if these unfortunate prison inmates are so eager for a place to worship that they are willing to contribute pennies, nickels and dimes from their own pockets to help in its establishment, it behooves those of us in the "free world" to put our shoulders to the wheel and give them a hand.

That is what Chaplain Shepherd is asking Floridians to do. He realizes that it is impossible to raise the sum needed from the meager contributions of the prisoners themselves.—His church is not blessed with wealthy parishioners.

He is asking civic clubs, women's organizations and religious groups of any and all denominations to give such aid as they can. He feels that the work to be done in Florida's State Prison is even more important than foreign missions or other activities for which large sums are raised every year, and looks to the outside church to come to his aid in solving this problem.

Here indeed is a worthy project for your club, your Sunday School or your Church to undertake. Twenty denominations are represented among the prisoners and as the Chapel will be non-denominational, designed to serve the religious needs of all, the task of supporting the project applies alike to all groups.

The amount needed could be raised in one Sunday, if the ministers, priests, rabbis and pastors of our churches throughout the state would bring the matter to the attention of their people and call for a small donation. A few dollars from each congregation would do the trick and I hope that, as a result of this column, a great many will be reached.

If the readers of this column would appoint themselves a committee of one to bring this matter to the attention of their minister and undertake to raise a small amount it would be easy to do, and I can think of no undertaking more worthy.

If every member of a Rotary, Civitan, Kiwanis, Exchange or other service club would take similar action, and at the next regular meeting bring the matter up and call for voluntary contributions from members, I am sure the re-

sponse would be immediate. If every club or church member would give the price of a package of cigarettes or even a Coca-Cola it would more than meet the small sum needed.

Let's see to it NOW that Florida's State Prison has a Chapel and ALL the equipment it needs.

## Pahokee PTA Meeting Date Is Changed, March 10

Alexander Sprunt, Jr., Southern representative of the National Audubon Society and well-known lecturer and authority on southern birds and other wildlife, will be guest speaker at the March meeting of the Pahokee Parent-Teacher Association to be held Wednesday, Mar. 10, at 8 p. m. in the high school auditorium. Mr. Sprunt will give a talk on birds and wildlife and illustrate his lecture with motion pictures. He spends eight months of the year in the vicinity of Charleston, S. C. in the interest of the NAS and conducts tours through the Everglades during February and March.

Mrs. E. L. Pope will be in charge of the program and Mrs. D. W. Cunningham will preside at the business. PTA members please note that the meeting date has been changed from Monday night to Wednesday night.

## Training Union Has Enjoyable Meet

The adult training union of the Canal Point Baptist church spent an enjoyable evening last Friday, Feb. 27, at the home of Mrs. Arnold Scruggs. Several games were played after which excellent food was enjoyed by all. The Canal Point Quartet sang several songs which were greatly enjoyed. An unusually large group of members were in attendance.

## 6 Members WSCS Honored At Meeting

Six members of the First Methodist Woman's Society of Christian Service were honored at a meeting at the church Monday afternoon when they were presented with WSCS life memberships. The honorees were Mrs. G. W. Byrd, Sr., Mrs. Arch Blakey, Mrs. H. C. Graham, Mrs. D. D. Caudill, Mrs. Frank Rozelle and Mrs. Ralph Stanley. The life membership certificates were presented by Mrs. J. Frank Colson, president, the pins, by Mrs. Marshall Lair, spiritual life chairman, and corsages were presented to the honorees by Mrs. John A. Dulany, program chairman.

Plans were made for a WSCS special recognition mission study course of four class sessions to be held at the church starting Monday, Mar. 8, at 8 p. m., with Mrs. Caudill, mission study chairman, in charge. She will be assisted by Mrs. W. E. Pope.

Mrs. Colson appointed Mrs. Dulany as a local delegate to represent the group at the State WSCS conference to be held at the First Methodist Church in West Palm Beach April 13-15. An executive board meeting for Mar. 16 was called by the president.

A program on "The Christian Church and a New Japan" was presented by Mrs. G. W. Byrd, Sr., assisted by Mrs. Ronald Watson, Mrs. Jack Phillips and Mrs. J. T. Boynton. Mrs. R. W. Sanders sang a vocal solo, accompanied at the piano by Mrs. Graham.

Mr. and Mrs. Thomas Handley had as guests over the weekend his sister, Miss Nancy Jo Handley, who is on a visit here from South America and Frank Handley, student at the University of Florida.

Mr. and Mrs. H. L. Jaudon and children have returned to Waukegan after a visit here with his brother-in-law and sister, Mr. and Mrs. Wiley Tillis.

## SHORT-CUT to Accident--

The quickest way across the street can be the most dangerous way. To cross in the middle of the block, rushing out from between parked cars, can be and too often is a short cut to accident — and death!

In Florida, 170 people were injured, 71 fatally, from these causes alone in our first peace year. In 75% of pedestrian accidents the victims were walking in such a way as to contribute to their own demise. Actually, drivers in relation to pedestrians are more careful.

Florida accident records for 1946 indicate that jaywalkers are even more plentiful and careless and are pushing the pedestrian casualty rate to a new high. Someone must do some life-saving — and that someone is *you*.

When you cross a street or highway be personally responsible for your own safety. Don't expect the other fellow to look out for you. Cross with the light if there is one — with greatest caution if there isn't. It's up to you to walk safely and live longer.

Mr. Motorist—

Headed by the ever popular Bing Crosby and his fueding friend Bob Hope, with Dorothy Lamour working closely with them, nad an imposing list of readily recognized stars such as, Milland, Ladd, Stanwyck, Goddard, Caulfield, Tufts, Holden, Scott, Lancaster, Russell, Lynn, Hayden, Preston, Lake,

## SUTOR WILL COOPERATE WITH PEOPLE

"These trips I am making all over the county are not entirely political junkets," Jack Sutor candidate for county superintendent.

JACK SUTOR

ident of schools in the May primaries, declared this week.

"I am getting new angles on educational needs in Palm Beach County," the candidate said.

Sutor, a veteran campaigner for good education, county unity and other projects, said he has found that the schools and the people want the superintendent to be constantly in touch with them.

The educator and newspaper editor pledged that kind of cooperation if he is elected.

"To their everlasting credit, the people of Palm Beach County have always been interested in good schools. And in this campaign they are demonstrating that interest by the sincere attitude they are taking toward the superintendent's race," Sutor declared.

## New Fishing Rod Is Invented By Jacksonville Man

JACKSONVILLE — An idea born to a fisherman as he struggled with a four pound trout materialized today and was added to the archives of piscatorial history.

First of the new "Twentieth Century" fishing rods invented by Walter L. Rives, of Jacksonville, came off the production line at Rives' factory. Wrapped in red, white and blue and suitably inscribed, the rod was mailed to President Truman at Key West.

"Happy fishing—to the President of the United States," the inscription on the aluminum alloy handle reads. The rod grip itself was especially made of red, white and blue plastic.

"And I hope," grinned Rives, an ardent fisherman himself, "that Mr. Truman lands a record Florida fish with it."

The Twentieth Century rod, which has a number of outstanding new features, was given an actual workout by Paul G. Mains, outdoor editor, radio commentator, secretary-treasurer of the Florida Tackle & Gun Club. Mains, known throughout Florida as "The Old Kingfish" and recipient of the 1947 state gold medal for conservation work, returned from the St. Johns River with abounded enthusiasm for the new type rod.

"It's a natural," Mains said. "It'll revolutionize some types of game fishing."

Rives' rod differs from standard rods in that the tip is set above the reel so that the line runs through the guides underneath the rod, thereby preventing contact between the line and the rod. This prevents any chafing or hitching the line over an upturned end guide. The center of gravity, he maintains, is lowered and a more perfect balance is obtained.

A special foregrip provides for natural wrist action the same as used when firing a pistol and according to Rives, there is less wear on the reel and the rod is much more sensitive to strikes.

It was about six months ago, while Mr. and Mrs. Rives were fishing near the famous jetties at the mouth of the St. Johns River, that the idea for a "different" kind of rod came to him.

"I had hooked into what turned out to be a four pound trout," Rives explained, "and I was using a nylon line that had become badly frayed from rubbing against my rod."

"It turned out to be quite a contest and every moment I was afraid that my line, still rubbing against my old-style rod, was going to break. I did some robust cussing and said something about —'Nobody's done anything to improve' fishing rods for half a

century."

"Very calmly, my wife said, 'Well—catch your fish—hush up—and then do something about it.'"

"Which I did and here . . . Rives fondled President Truman's patriotically colored rod and reel . . . we are."

Rives' home in Jacksonville is at 5712 Perry Street and his new factory, where capacity production of 7,000 rods a week is expected to be reached early in April, is located at 87 Riverside Viaduct, Jacksonville.

## Dave Kicklighter Assumed Duties As Scoutmaster, Troop 23

Dave Kicklighter assumed his new duties as scoutmaster of Pahokee Boy Scout Troop 23 at the regular troop meeting in the scout hut Tuesday night. He succeeds Felix Slonaker as scoutmaster, however, Mr. Slonaker plans to continue his interest in the troop by serving as director of field trips.

The troop made plans for the future and voted to suspend from troop membership any scout who is absent from troop meetings for four consecutive times without excuse. It was decided to collect troop dues on a weekly basis in the future. Troop 23, sponsored by the Rotary Club, is composed of four patrols, Stag, Rattlesnake, Wolf and Lion, and has a membership of 30 scouts.

## Judy Shackford Named Brownie Pres.

Judy Shackford was elected president of the Canal Point Brownie Scout Troop at a troop meeting this week. Other officers chosen were Theresa Pope, vice president; Carolyn Scott, treasurer; Emmogene Edenfield, secretary; Jean Kay Friend, reporter, and Martha Gail Ammons, sergeant-at-arms.

The Canal Point Brownie Scout Troop, sponsored by PTA, conducts regular meetings in the school auditorium on Thursday afternoons. Mrs. Edith Smith and Mrs. Joe Edenfield are active leaders of the troop.

## Democratic Club Will Be Organized

ST. AUGUSTINE — Organization of the Florida Democratic Club was announced here today by Charles E. Shepperd, who has been selected State Chairman.

Shepperd, who has represented St. Johns County in the Florida Legislature for the past four years and will be re-elected this year without opposition, said the organization resulted from a recent meeting of representative citizens from all parts of the State.

Judge E. B. Donnell of West Palm Beach, who has been a member of the State Democratic Executive Committee for the past fifteen years is State Vice-Chairman.

Frank D. Upchurch, former

State Senator of St. Augustine, is Treasurer.

Shepperd said "all real democrats are opposed to the destruction of State Rights and to the establishment of a police state in America. Believers in individual freedom can never accept the so-called "Civil Rights Program." Any man who promotes such a program is encouraging communistic infiltration whether he is conscious of it or not."

"We call upon all good democrats to cooperate in electing a solid slate of delegates to the Democratic Convention who will repudiate undemocratic leaders of the Democratic Party and nominate candidates for President and Vice-President who have never been promoters of an autocratic state or who have been Russian apologists or have aided the activities of 'fellow-travelers'."

"America has just helped destroy one police state and we want no such thing here. Federal interference in the social and economic life of the community is unbearable to democrats who believe in the fundamental principals of our party as originally set forth by Jefferson."

"A solid slate of delegates who stand for genuine democracy will soon be announced and all loyal democrats should support them by an over-whelming vote."

## WMU Conclude Special Programs

Special programs being presented this week by the First Baptist Woman's Missionary Union in observance of week of prayer will be concluded today with an all-day luncheon meeting at the church. Mrs. Horace Unwin, WMU president, will have charge of today's program which is scheduled to start at 11 a. m.

The first program in observance of week of prayer was conducted by the Lottis Moon Circle Monday afternoon with Mrs. Stella Mullis in charge. She was assisted by Mrs. Horace Unwin, Mrs. Ed Unwin, Mrs. J. C. Mock, Mrs. G. C. Connell, Mrs. L. W. Mullis, Mrs. Tom Strickland, Mrs. Margaret Thompson and Miss Elizabeth Caraway.

The Tuesday afternoon program was presented by the Lucy Jones Circle with Mrs. W. H. Rogers circle chairman, in charge and the Wednesday evening program was under the direction of the Grace Jernigan Circle.

Approximately 340 streamline passenger cars, including the nation's first postwar sleepers, were delivered to the railroads by Pullman-Standard Mfg. Co. during 1947. This brought to 830 the number of passenger cars completed by that company since the end of the war.

## FOR CONSTABLE

HARLOW SIMS  
Canal Point

Harlow Sims, 18 years a resident of Canal Point, this week announces his candidacy for constable from the Pahokee-Canal Point district, subject to the will of the voters in the primary election, May 4. Mr. Sims is a World War two veteran, having served two years in the Navy. He qualified with proper county officials last Friday to enter the race. Mr. Sims pointed out that if elected he "would enforce the law as it is supposed to be enforced." For many years before the war and since his return Mr. Sims has been a dragline operator in this area.

## Plans Made For WMU Banquet

Miss Patsy Batchelor, Miss Vera Keen and Miss Johanna McKinstry were received as new members of the Young Woman's Auxiliary of the Pahokee First Baptist WMU at an auxiliary meeting at the home of Miss Barbara Jenkinson Tuesday evening with Miss Lois Echols and Miss Jenkinson acting as hostesses.

At the business session with Mrs. Roy Pope, president, presiding, the group made plans for a mother and daughter banquet to be held in May and received an invitation from Mrs. Horace Unwin, WMU president, to meet at her home on Mar. 15.

The devotional program was presented by Miss Sylbe Jensen, assisted by Miss Imogene Spivey and Miss Betty Batchelor.

## Harold Webb Is New Member Of Legion Post 90

Harold Webb was welcomed as a new member of Fred and Percy Mansfield Post 90 at a meeting in the woman's clubhouse Monday night.

A report of the building committee revealed that the Southern Bell Telephone Company has offered to donate a number of the poles it is pulling up on the discarded overhead lines between Pahokee and Belle Glade to Post 90 for use as piling for the new Legion Home the post is planning to build in the near future on Canal Point Road.

The group officially congratulated their Auxiliary for the progress made in reorganization activities and thanked the ladies for their assistance in planning for the new home.

Following the regular meeting Post 90, Inc., met and elected the following officers: James Stafford, president; J. T. Boynton, first vice president; Harold Wilkinson, second vice president; J. W. Mullis, secretary, and Leonard Dobrow, treasurer.

Mr. and Mrs. W. P. Walker had as a guest the past week their daughter, Mrs. Frank Weathers of Miami.

## Legion Auxiliary State President On Official Visit

Mrs. James Fleetwood of Tallahassee, state president of the American Legion Auxiliary, paid her official visit to the Pahokee and Canal Point American Legion Auxiliaries at a joint meeting of the two units in the Pahokee Woman's Club building on Thursday night of last week. Mrs. Fleetwood gave a review of the activities of the Auxiliary during the past year and spoke of plans for the future. She was accompanied to the Glades by Mrs. Elizabeth DeParlier of Delray Beach, district president. Members of the Belle Glade Legion Auxiliary attended the meeting as guests.

The Auxiliary colors of orange and blue were used in decorating the clubhouse with bouquets of spring flowers and also in the refreshment table appointments.

At the conclusion of the program both Mrs. Fleetwood and Mrs. DeParlier were presented with gifts. Committees in charge of arrangements included: Hospitality, Mrs. O. R. Bleech; decorations, Mrs. John T. Pickett; Mrs. Carme Salvatore; Mrs. Paul Tilery and Mrs. F. W. Cross; refreshments, Mrs. Leslie Futch, Mrs. Ben Rogers, Mrs. F. M. Wilson, Mrs. J. T. Boynton, Mrs. Kenneth Mock, Mrs. J. L. Wilson, Mrs. C. R. Wetherington, Jr. and Mrs. Charles Maxson.

## RETURNED HOME AFTER A VISIT IN PAHOKEE

Philo B. Williamson and Fred Smith, Jr., of Bloomfield, Conn., returned home Friday after a visit with Mr. Williamson's brother-in-law and sister, Mr. and Mrs. Geo. B. Ramey, in Pahokee. Before departure Mrs. Ramey and Mr. Williamson, entertained Wednesday evening with a steak fry on the back lawn of the Ramey home on Bacom Point Road, honoring Mrs. Ramey's son, David, on his birthday anniversary. Other guests were Mr. and Mrs. A. C. Libhart and children, Sunny and Anthony Steven, Annette McIntosh, Phoebe Ann Ramey, Fred Smith and G. B. Ramey.

## Pahokee Eastern Star Elects Officers.

Mrs. Jennie McKinstry was elected worthy matron of the Pahokee Chapter, Order of Eastern Star, at the annual election of officers held in the Masonic Hall on Thursday night of last week.

Other new officers elected were Ellsworth Keen, worthy patron; Mrs. Jessie Barnes, associate matron; D. W. Young, associate patron; Mrs. Ruth Carpenter, secretary; Mrs. Gladys Harrington, treasurer; Mrs. Etta Mae Friend, conductress, and Mrs. Mabel Young, associate conductress. Appointive officers will be named by the new worthy matron following her induction.

The installation of the new officers was set for Mar. 19. Plans were completed for the benefit dinner which the chapter is sponsoring at the Lions Hall on Saturday, Mar. 6, starting at 5 p. m. Those appointed in charge of arrangements for this dinner were A. Q. Howell, Mrs. Iva Snyder, Mrs. Pearl Hamilton, Mrs. Ila Howell, Mrs. Jessie Barnes, Mr. and Mrs. D. W. Young, Mrs. Myrtle Echols, Mrs. Billie Shirley, Mrs. Hulda Wilson, Mrs. Huelt Denton, Mrs. H. C. Graham and Mr. and Mrs. D. L. Friend.

## Governor Suggests Grand Jury Probe Hendry Co. Schools

TALLAHASSEE — Governor Caldwell has suggested that a grand jury probe of Hendry county school affairs be conducted on the grounds of alleged administrative "derelictions."

Caldwell told State's Attorney W. M. Smiley of Bradenton, "The affairs of the Superintendent of Public Instruction have not been handled in accordance with the law." He sent Smiley a file from the State Auditing Department including excerpts from two reports of State Auditor Bryan Willis, one of which said finances "were not carefully handled" during the fiscal year ending June 30, 1946.

## Warren In Lead Straw Poll Shows In Governor Race

JACKSONVILLE—Polls on the gubernatorial candidates, one being conducted by Joe Abrams of Jacksonville and another by A. William Morrison of Miami, fail to develop any new or startling information. Fuller Warren leads comfortably in both of them. They differ, however, on Colin English who is in second place in the Jacksonville poll but shows little strength in the Miami poll.

Reports have reached the Florida News Service during the past week indicate that both Dan McCarty and W. A. (Bill) Shands have been making substantial gains. Shands is perfecting a strong statewide organization and McCarty has gained substantially in the areas he has visited.

Watson, who a month ago was in second place, seems to have lost ground due to inactivity, but he is expected to begin an energetic campaign soon.

Mr. and Mrs. George O. Schroder are visiting friends in St. Petersburg this week.

Mr. and Mrs. H. J. Anderson had as a guest the past week her brother, O. F. Staples of Valhalla, N. Y.

## Moss Thinks Time Is Here To Vote The Republican Ticket

ORLANDO — Terming 1948 as Florida's golden opportunity to lead the South as a two-party state, M. J. Moss, Orlando, prominent realtor and candidate for congress from the Fifth Congressional District on the Republican ticket, points out that as long as this state is looked on by both parties as "in the bag" we never can get the federal consideration and appropriations we are entitled to.

He contends that if we elect a Republican to congress, this year it will open their eyes and, as a result, we can get our sorely needed water control and waterways development.

"With congress in control of the Republicans, 1948 will be our best year to demonstrate that at least one district in this state can play ball with the men who have the say-so in Washington." Moss ran against Joe Hendricks last election and polled over 40 percent of the vote and feels confident he will win this time.

## Pahokee Junior High Won Fourth Place In Tournament

The Pahokee Junior High Blue Imps won fourth place in the County Junior High Basketball Tournament held in West Palm Beach last weekend.

In the quarterfinals Friday the Imps defeated West Gate, 29 to 26, but were defeated, 51 to 29, by Riviera in the semifinals played later in the evening.

On Saturday in the consolation game preceding the finals The Imps and Lake Worth played for third place position with Lake Worth winning 39 to 29. In the finals Central won the junior high county championship from Riviera 43 to 29.

Two of the Blue Imp players were honored by being selected on all-star teams or receiving special recognition by tournament officials. Carney Wilder, center, was placed on the all-star second team and Donald Harpley, guard, received honorable mention.

## BAPTIST CHURCH NEWS

Sunday will be the last opportunity to hear Dr. H. E. Ressler, whose preaching and teaching will not soon be forgotten, according to the many favorable expressions received by the pastor and others. At the morning hour of eleven, the subject will be, "What Think Ye Of Christ?" At the night service of 7:30, Dr. Ressler will speak on, "The New Heaven and New Earth." Additional seats have been placed in the auditorium, thanks to the increase in attendance morning and night during the past thirty days. With the Sunday School nearing 300 in attendance and the Training Union approaching the 100 mark, Superintendent James Harry Wilkinson, Jr. and Director Mrs. W. M. DuBose, and their workers are rejoicing over the near fulfillment of their goals. Dr. Ressler will return to Chicago next week. His many friends wish for him and his only the best. May he have a good trip and come again. Shortly!

## Strawberry Show To Feature Exhibits

PLANT CITY — Exhibits from East Hillsborough county communities will be an outstanding feature of the 1948 Plant City Strawberry Festival which will be held March 9-13.

Agricultural, handicraft, home and school exhibits are planned by eight communities, officials state. Florida Future Farmers and Florida Homemakers will also be represented with attractive booths. A feature of the event will be a street parade which will be staged on the opening day, March 9. Many of the floats used in the Gasparilla parade are expected to appear, as will some of the exhibits shown at the Tampa Fair.

## Regular Meeting Of Canal Point WSCS

Mrs. Francis Cross was hostess to the Canal Point WSCS at its regular monthly meeting Tuesday afternoon. Mrs. C. L. Stuart presided. An interesting program on work in Japan was presented by Mrs. A. F. Harrington. Mrs. W. T. Blair, Mrs. F. M. Wilson and Mrs. D. R. Hall.

Mrs. Wilson reported a successful and well attended meeting in observance of the World Day of Prayer held jointly with the Methodist church.

Mrs. N. E. Maxson will represent the WSCS as a member of the executive board of the council of church women.

It was announced that the study course conducted by Mr. Blair will close with the meeting tonight and that church cleaning day will be March 23.

## PAHOKEE BAPTIST NIGHT AT REVIVAL

The revival in progress at the West Side Baptist Church of West Palm Beach, under the preaching of Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee, began as most revivals end, with additional chairs to accommodate the more than capacity congregation. This bespeaks for the past—Rev. L. Lamerson and his people only that which is most commendable. Tonight, Friday March 5, the members and friends of the Pahokee Baptist Church will attend. It is suggested that cars and people meet at the church 6:15, giving ample time to arrive in time for the service at 7:45. The pastor appreciates this gesture.

Miss Sara Sanders was a guest the past week of her brother-in-law and sister, Major and Mrs. P. Andrew Keyes, in Macon, Ga.

## Large Interest Shown In West Palm Beach City Election

In one of the most hotly contested elections ever held here, city voters Tuesday filed steadily through the polls in the first city-wide election under the new charter for an all-time record vote of 8,871—about 60 percent of the voters eligible to take part in the Democratic primary races.

In preparation for the expected heavy vote, elaborate preparations for handling the vote were mapped by members of the Democratic Executive Committee and city officials.

More than 50 officials were on duty at the five polling places where 22 voting machines were in operation to take care of the more than 16,600 voters registered for the election.

City officials said last night registration for yesterday's election was one of the largest ever listed on city books. They said this registration here for the past two years was larger than the combined registration from 1940 to 1946.

Despite the record vote, only two of the five races for nomination for the city's general election were decided yesterday, with the battle for police chief and two posts on the City Commission shunted into a run-off to be held next Tuesday.

Top man at the polls yesterday among the 19 candidates seeking nomination was Joseph D. Farish, Jr., who drew 5,569 votes in a four-way race for city judge, polling more than 2,000 more votes than the combined total of the other three candidates. The young attorney's nearest opponent, Clyde Trammell, drew 1,691 votes.

The City Democratic Executive Committee, which met to officially canvass the vote last night, declared Farish the winner for the judge nomination.

Second man to win nomination Tuesday was City Commissioner George McCampbell who was re-named to his post on the commission from Group I in Centalboro when he defeated Vernon R. Lewis by a count of 5,421 to 2,776. McCampbell drew the second largest total number of votes cast of any of the candidates.

In the run-off election to be held March 9, Trueman P. Matthews will be pitted against Police Chief Jack A. Thompson, who won his way into next week's election by a narrow margin of 15 votes over R. W. Milburn.

Matthews was third high in yesterday's election, drawing a total of 4,103 votes, about 1,800 more votes than the incumbent—Palm Beach Post.

## CHURCH OF CHRIST, SCIENTIST

"MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, March 7.

The Golden Text is: "Mark the perfect man, and behold the upright: for the end of that man is peace" (Psalms 37:37).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And such trust have we through Christ to Godward: Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of God" (II Corinthians 3:4, 5).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Consecration to good does not lessen man's dependence on God, but heightens it. . . . We must re-verse our feeble flutterings—our efforts to find life and truth in matter—and rise above the testimony of the material senses, above the mortal to the immortal idea of God. These clearer, higher views inspire the Godlike man to reach the absolute center and circumference of his being" (262:1-3, 10).

## W. P. BEACH WINS FIRST PLACE IN B TOURNAMENT

The Pahokee Senior High Blue Devils defeated Fort Pierce, 31 to 27, in the first round of the Gulfstream Conference Basketball Tournament at Fort Lauderdale Thursday evening. The next day, however, the Blue Devils were eliminated from further tournament play by bowing to Palm Beach, 47 to 15. Palm Beach went on to win the first place in the tournament by defeating Fort Lauderdale, 33 to 25, in the finals Saturday evening.

## MEN'S BIBLE CLASS

## How to Put Up with Women's Styles

When Will Dudley's missus finally gave in to the new-style longer skirts, Will was mighty critical at first. Allowed as how women were a slave to fashion... ought to dress to please their husbands and not style designers.

Sue finally reminded Will of his habit of sitting by the radio Saturday afternoons in shirt sleeves and old slippers, listening to the sports with a mellow glow of beer. Suggested that maybe Will was a slave to comfort.

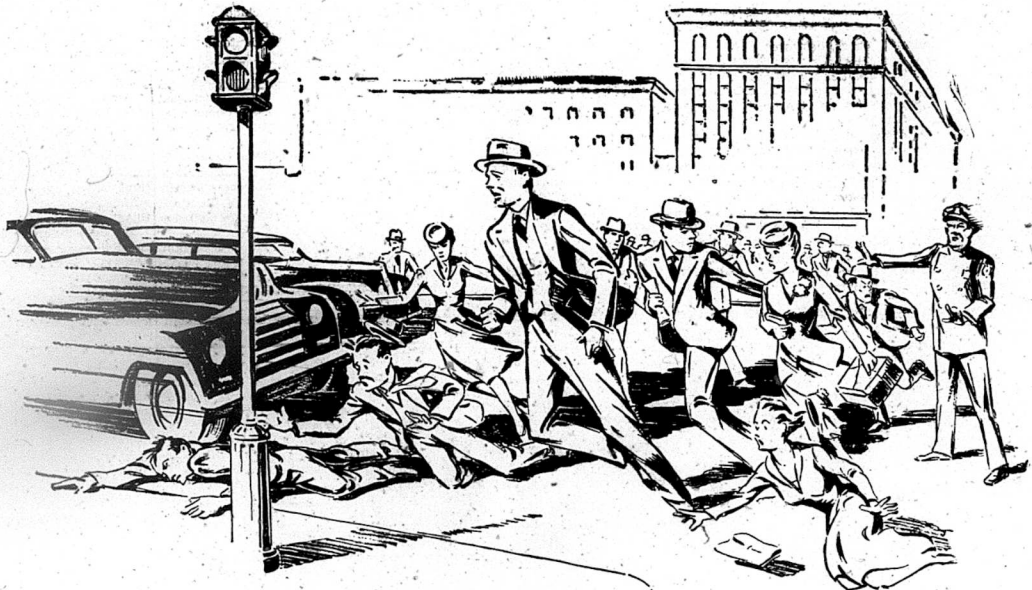

And Will admitted she was right.

Perhaps the way somebody dresses isn't always to our taste—just as Will's glass of beer may be another person's cider.

But from where I sit, those little differences aren't important—unless we go out of our way to make them so, by being hypocritical. As Will says now: "Well, anyway, those long skirts hide a multitude of shins"... and lets it go at that!

# HURRY! HURRY!

**Join the 11,200 pedestrians KILLED last year!**

Don't go home to-night. Go to the hospital—or the morgue!

Why be around to-morrow, next week, or next year? Go on—dash through traffic when and where you shouldn't. Ignore red lights and safety signs. Make a face at the traffic cop who's trying to protect you as you tear by — hurrying to go — where?

Be impatient. Hurry, hurry and join the 11,200 pedestrians who were killed in the United States last year. 195 of them were neighbors of yours in Florida.

But perhaps you don't like the idea. Maybe you enjoy living and don't want to rush into Kingdom Come prematurely. That's different—and the answer is simple. Don't hurry. Wait just the few seconds it takes the light to go green. Don't take a short cut across the middle of the block, drivers aren't looking for you there. And no matter when or where you cross a highway, be alert. Walk safely and live longer.

## Co. Welfare Work Reviewed At C. P. PTA Meeting

A review of welfare work in Palm Beach County was given by County Commissioner Paul Rardin, guest speaker, in a talk at the March meeting of the Canal Point Parent-Teacher Association held Monday night in the school auditorium. The speaker was introduced by D. L. Friend, program chairman.

Also on the program Mrs. Sorchle Baird presented her fifth grade pupils in a playlet, "Tony Learns to Love the Flag." The children of the fifth grade also gave recitations and sang songs.

Mrs. D. L. Friend, president, appointed Mrs. F. M. Wilson on the Brownie Scout Troop committee to fill the vacancy left by Mrs. Boyd Vorhees when she resigned to assume the leadership of the Canal Point Girls 4-H Club.

Room mothers appointed to serve through the second semester were as follows: Mrs. Boyd Vorhees and Mrs. W. K. Buchanan, first grade; Mrs. M. N. Pride and Mrs. Joe Edenfield, second grade; Mrs. D. L. Hooks and Mrs. W. R. Shackford, third grade; Mrs. J. Latham and Mrs. O. Upthegrove, fourth grade; Mrs. Melvyn Pugh and Mrs. Bonnell Burns, fifth grade; Mrs. C. L. Stewart and Mrs. Arnold Scruggs, sixth grade.

A report of the staff which recently completed a survey of the physical plant of Palm Beach

County Schools was released at the meeting in a letter from Superintendent John I. Leonard.

It was announced that local PTA members are invited to attend the March meeting of the Belle Glade PTA on Mar. 11 at which time Dr. Watson of the University of Miami will speak.

At the conclusion of the meeting refreshments were served by Mrs. A. Q. Howell, Mrs. Charles Jones, Mrs. E. E. Conner and Mrs. Edith Cross, hostesses.

### TO HALL JUICE

TALLAHASSEE — Howard Johnson, Inc., of Miami, proposes to go into the business of hauling canned citrus juices to its various restaurants in South Florida.
